

STANDARD WORK

Clinic Lobby Cleaning

Owner:	Gina Green	Supplies Needed:	<ul style="list-style-type: none"> • Approved EPA Disinfectants • Approved Wipes or Spray • Laminated Signage 	Updated By:	<i>Gina Green</i>
Work Performed By:	PDC and HBC			Last Updated:	<i>5/19/2020</i>
Purpose:	To ensure that all high touch surfaces in clinic lobbies and registration areas are cleaned according to current policy and procedure with only EPA cleaning disinfectants approved by DUHS Infection Control.				
Expected Outcomes:	<ul style="list-style-type: none"> • Promote patient and employee safety by reducing the risk of infection • To provide visual evidence of cleaning to reassure patients of our commitment to a clean and safe clinic environment. • Daily Audits/Checks • Escalate questions or issues to management 				

No.	Steps <i>(A logical segment of the operation that advances the work)</i>	Who	Expected Outcome/Reason <i>(the why?)</i>	Additional Information; Key Points, Diagrams, Pictures, Tips, Etc.
1	Read and be familiar with P&P regarding cleaning of high touch surfaces, patient care items, bedside equipment, etc.	Clinic Staff and Leader	To understand why, and how to clean frequently utilized areas of lobby/registration areas to reduce the risk of infection.	PDC Hand Hygiene Policy – (Ctrl + Click to Open Policy)
2	Clinic management continue to audit to reinforce importance of cleaning to reassure patients.	Clinic leadership	Clinic management should audit to ensure appropriate cleaning is performed.	
3	Place sign on coffee stations “Out of Order”, remove all creamers, sugar, stirrers, etc. Keep coffee supplies in a storage area away from patient view.	Clinic Staff	To reduce risk of spreading infection by eliminating high touch area.	
4	Remove all magazine, pamphlets, reading material that can be touched by multiple patients.	Clinic Staff	Reduce risk of spreading infection.	

5	Clean lobby chairs, tables, lamps, and registration areas hourly, and after every patient use with close attention to high touch areas. See checklist below.	Clinic staff	Reduce risk of spreading infection.	 <p data-bbox="1606 625 1774 685">Clinic Lobby See below list</p>
6	Ensure all signage related to social distance on clinic furniture, and flooring provides a 6ft. distance, and is maintained. Measure 6ft. distance between chairs, and patient line to ensure appropriate social distance.	Clinic staff	Ensure appropriate social distance is always maintained.	
7	Follow Hand Hygiene Policy with use of approved products.	All	See Hand Hygiene Policy	PDC Hand Hygiene Policy – (Ctrl + Click to Open Policy)
